A

ACADEMY OF DENTISTRY FOR THE HANDICAPPED
Report. 42, 94, 143, 187, 233, 281
ADHESIVES
A clinical survey on the use of a new form of denture adhesive. Feller, R.P. et al. 213
Effect of a new form of adhesive on retention and stability of complete maxillary dentures. Feller, R.P. et al. 87
AGE FACTORS
The effect of age and dentition status on masticatory function in older adults. Idowu, A.T. et al. 80
AGED
Gerodontics: an epidemiologic perspective. Mersel, A. et al. 13
Treatment planning for the marginally impaired older patient. Tillman, R.S. 219
AGING
Effects of geriatric education on the knowledge of dental students. Broder, H. et al. 177
ALZHEIMER'S DISEASE
Alzheimer's disease: a guide for dental professionals. Niessen, L.C. et al. 6
Alzheimer's disease and the dentist's responsibility. (Ed.) Epstein, S. 3
AMERICAN ASSOCIATION OF HOSPITAL DENTISTS
Report. 45, 92, 139, 189, 235, 278
Vision—involvement—performance. (Ed.) Zambito, R.F. 147
AMERICAN SOCIETY FOR GERIATRIC DENTISTRY
Report 46, 96, 141, 191, 236, 283
AMICAR *see** EPSILON-AMINOCAPROIC ACID
ANESTHESIA, GENERAL
New device for dental radiography for use with general anesthesia. Montanarella, M. et al. 160
ANESTHESIA, LOCAL
Prevention of postanesthetic oral self-mutilation. Crespi, P.V. et al. 68
ANODONTIA
Complete dentures for handicapped children using custom-made teeth. Taicher, S. et al. 112
ANXIETY
Anxious anticipation of complete dentures. Mersel, A. et al. 129
APPOINTMENTS
A comparative study of clinic attendance for pedodontic treatment of children with orofacial clefts. Ranalli, D.N. et al. 84
ASTHMA
Pediatric dentistry and the child with asthma. Mungo, R.P. et al. 270
ATTITUDE OF HEALTH PERSONNEL
The effect of clinical experience on the attitudes and confidence of senior dental students toward treating children with handicapping conditions. Udin, R.D. et al. 70
Evaluation of attitudes of Chinese dental students toward dental care for patients with handicapping conditions. Bedi, R. et al. 29

B

BEHAVIOR THERAPY
Relaxing effects of music in dentistry for mentally handicapped patients. Davila, J.M. et al. 18
BITES, HUMAN
The importance of bitemark evidence in court. 67
BLACKS
Societal determinants of cultural factors related to the dental health of a selected older black population. Norman, B.J. et al. 120
BOOK ANNOTATIONS
Bates, J.F. et al. Proceedings of the International Prosthodontic Symposium. Restoration of the partially dentate mouth. 91
Connor, J.M. et al. Essential medical genetics. 240
Eger, E.I., II. Nitrous oxide/N_2O. 240

O'Donnell, J.P. (Ed.) Dental management for handicapped persons in the community. 239
Sonis, S.T. et al. Principles and practice of oral medicine. 137
BURNS, ELECTRICAL
A simplified splint for decreasing or preventing stenostomia in patients with burns. Shehan, M.T. et al. 36

C

CAREER CHOICE
The effect of general practice residency training programs on the eventual mode of practice of graduates. Demby, N.A. et al. 262
CHILD ABUSE
Child abuse: recognition and reporting. Giangrego, E. 62
The importance of a team approach when identifying and treating child maltreatment: a personal view.Mundie, G.E. 58
A physician's view of responsibility in reporting child abuse. Fontana, V.J. 55
A plague upon us: child abuse. (Ed.) Zambito, R.F. 51
CHRONIC DISEASE
Oral and maxillofacial cancer pain. Epstein, J.B. 223
CLASSIFIED ADVERTISING. 35, 93, 222
CLEFT PALATE
A comparative study of clinic attendance for pedodontic treatment of children with orofacial clefts. Ranalli, D.N. et al. 84
COMMUNICATION
Dental treatment for deaf patients. Clark, C.A. et al. 102
Dentists' verbal communication leads during an interview with geriatric patients. Handelman, S. et al. 253
Improving communication with the older patient: overcoming the physical barrier of a hearing loss. Warner, R.W. 15
CONSUMER ORGANIZATIONS
Advocacy organizations and dentistry: a survey. Entwistle, B.A. et al. 114
CONTINUING EDUCATION. 48
CULTURAL CHARACTERISTICS
Societal determinants of cultural factors related to the dental health of a selected older black population. Norman, B.J. et al. 120

D

DEAFNESS
Dental treatment for deaf patients. Clark, C.A. et al. 102
DELIVERY OF DENTAL CARE
Barriers to preventive and periodontic care for the older population. Odrich, J. 109
DEMENTIA
Alzheimer's disease: a guide for dental professionals. Niessen, L.C. et al. 6
DENTAL CARE
Dental diagnosis and treatment for musicians. Prensky, H.D. et al. 198
Evaluation of a supplemental dental booklet for long-term care facilities. Deal, T.S. et al. 162
Treatment planning for the marginally impaired older patient. Tillman, R.S. 219
DENTAL CARE FOR HANDICAPPED
Alzheimer's disease: a guide for dental professionals. Niessen, L.C. et al. 6
Alzheimer's disease and the dentist's responsibility. (Ed.) Epstein, S. 3
Caries experience and level of restorative care among a handicapped population in Israel. Mann, J. et al. 33
Complete dentures for handicapped children using custom-made teeth. Taicher, S. et al. 112
The dental management of patients with schizophrenia. Friedlander, A.H. et al. 217
The dental rehabilitation of a patient with Klippel-Feil syndrome and Sprengel's deformity. Boraz, R.A. et al. 22
Dental treatment for deaf patients. Clark, C.A. et al. 102
The effect of clinical experience on the attitudes and confidence of senior dental students toward treating children with handicapping conditions. Udin, R.D. et al. 70
The effect of dental education and dental treatment on the dental status of a handicapped population: a longitudinal study. Mann, J. et al. 180
Improving communication with the older patient: overcoming the physical barrier of a hearing loss. Warner, R.W. 15
A personal approach to dental care for patients with handicapping conditions. Wasinger, J.L. 156
Use of FEIBA and Amicar in the operating room—dental treatment of a patient with hemophilia and high titer factor VIII inhibitors. Sharp, H.K. et al. 210
Methods
Prevention of postanesthetic oral self-mutilation. Crespi, P.V. et al. 68
Relaxing effects of music in dentistry for mentally handicapped patients. Davila, J.M. et al. 18
The successes and failures of two approaches to dental care in institutions for patients who are mentally handicapped. Wadsworth, C.L. et al. 175
Psychology
Evaluation of attitudes of Chinese dental students toward dental care for patients with handicapping conditions. Bedi, R. et al. 29
DENTAL CARIES
Caries experience and level of restorative care among a handicapped population in Israel. Mann, J. et al. 33
Dental rehabilitation of the patient with severe caries after radiation therapy. Fattore, L. et al. 258

Oral findings and a proposal for a dental health care program for patients with Duchenne type muscular dystrophy. Morinushi, T. et al. 117
DENTAL HEALTH SERVICES
Restrictions and care of the geriatric patient. (Ed.) Epstein, S. 99
Toward understanding the use of dental services by the elderly. Branch, L.G. et al. 38
DENTAL HYGIENISTS
Restrictions and care of the geriatric patient. (Ed.) Epstein, S. 99
DENTAL OFFICES
Dental office access for patients with disabling conditions. Bill, D.J. et al. 246
DENTAL PLAQUE
Effect of an experimental dentifrice on plaque accumulation and gingival inflammation. Winer, R.A. et al. 228
DENTAL PROSTHESIS
The effect of age and dentition status on masticatory function in older adults. Idowu, A.T. et al. 80
DENTAL PROSTHESIS RETENTION
A clinical survey on the use of a new form of denture adhesive. Feller, R.P. et al. 213
Effect of a new form of adhesive on retention and stability of complete maxillary dentures. Feller, R.P. et al. 87
DENTAL RESTORATION, PERMANENT
Caries experience and level of restorative care among a handicapped population in Israel. Mann, J. et al. 33
DENTAL SERVICE, HOSPITAL
Guidelines for establishing qualifications for dentists to perform admission histories and physical examinations. 124
The hospital administrator's expectations of the manager of a department of dentistry. Camerano, F. 268
Long-term planning for hospital dental services. Demby, N.A. 150
Minimum standards for performing histories and physical examinations: basic training and course content. Roser, S.M. 125
The national experience and trends related to admission history and physical examination privileges for dentists. Swanson, R.K. 127
Economics
Marketing of a hospital-based dental service: strengthening a general practice residency program. Coke, J.M. 208
Promoting interrelated health care. Barr, C.E. 203
A self-supporting hospital dental service. Patz, S.M. 132
DENTIFRICES
Effect of an experimental dentifrice on plaque accumulation and gingival inflammation. Winer, R.A. et al. 228
DENTIST-PATIENT RELATIONS
Dental treatment for deaf patients. Clark, C.A. et al. 102
Dentists' verbal communication leads during an interview with geriatric patients. Handelman, S. et al. 253
Improving communication with the older patient: overcoming the physical barrier of a hearing loss. Warner, R.W. 15
DENTISTS
Guidelines for establishing qualifications for dentists to perform admission histories and physical examinations. 124
Minimum standards for performing histories and physical examinations: basic training and course content. ser, S.M. 125
The national experience and trends related to admission history and physical examination privileges for dentists. Swanson, R.K. 127
DENTURE, COMPLETE
Anxious anticipation of complete dentures. Mersel, A. et al. 129
Complete dentures for handicapped children using custom-made teeth. Taicher, S. et al. 112
Denture quality: nutrition and sociodemographic factors. Mersel, A. et al. 231
DENTURE, COMPLETE, UPPER
Effect of a new form of adhesive on retention and stability of complete maxillary dentures. Feller, R.P. et al. 87
DENTURE, PARTIAL, REMOVABLE
The dental rehabilitation of a patient with Klippel-Feil syndrome and Sprengel's deformity. Boraz, R.A. et al. 22
DERMATITIS
A simplified splint for decreasing or preventing stenostomia in patients with burns. Shehan, M.T. et al. 36
DIET
Denture quality: nutrition and sociodemographic factors. Mersel, A. et al. 231

E

EDITORIAL
Alzheimer's disease and the dentist's responsibility. Epstein, S. 3
Inception and development. Epstein, S. 242
A plague upon us: child abuse. Zambito, R.F. 51
Restrictions and care of the geriatric patient. Epstein, S. 99
Vision—involvement—performance. Zambito, R.F. 147
EDUCATION, DENTAL
The effect of dental education and dental treatment on the dental status of a handicapped population: a longitudinal study. Mann, J. et al. 180
Effects of geriatric education on the knowledge of dental students. Broder, H. et al. 177
GRECC and the teaching nursing home: affiliated geriatric education for dental students. Shen, K. et al. 266
ELDER ABUSE
Abuse: not just child's play. 64
EPSILON-AMINOCAPROIC ACID
Use of FEIBA and Amicar in the operating room—dental treatment of a patient with hemophilia and high titer factor VIII inhibitors. Sharp, H.K. et al. 210

F

FACILITY ACCESS
Dental office access for patients with disabling conditions. Bill, D.J. et al. 246
FEIBA
Use of FEIBA and Amicar in the operating room—dental treatment of a patient with hemophilia and high titer factor VIII inhibitors. Sharp, H.K. et al. 210
FORENSIC DENTISTRY
The importance of bitemark evidence in court. 67
FORENSIC MEDICINE
A physician's view of responsibility in reporting child abuse. Fontana, V.J. 55

G

GENERAL PRACTICE, DENTAL
The effect of general practice residency training programs on the eventual mode of practice of graduates. Demby, N.A. et al. 262
Marketing of a hospital-based dental service: strengthening a general practice residency program. Coke, J.M. 208
GERIATRIC DENTISTRY
Dentists' verbal communication leads during an interview with geriatric patients. Handelman, S. et al. 253
Effects of geriatric education on the knowledge of dental students. Broder, H. et al. 177
GRECC and the teaching nursing home: affiliated geriatric education for dental students. Shen, K. et al. 266
GINGIVITIS
Effect of an experimental dentifrice on plaque accumulation and gingival inflammation. Winer, R.A. et al. 228
A GUIDE TO ORAL HYGIENE FOR LONG-TERM CARE FACILITIES
Evaluation of a supplemental dental booklet for long-term care facilities. Deal, T.S. et al. 162

H

HANDICAPPED
Dental health status of nondependent children with handicapping conditions in Edmonton, Alberta. Lizaire, A.L. et al. 74
HEAD AND NECK NEOPLASMS
Dental rehabilitation of the patient with severe caries after radiation therapy. Fattore, L. et al. 258
Nutrition during treatment of head and neck cancer. Jones, J.A. et al. 165
HEALTH SERVICES ACCESSIBILITY
Dental office access for patients with disabling conditions. Bill, D.J. et al. 246
HEALTH SERVICES FOR THE AGED
Restrictions and care of the geriatric patient. (Ed.) Epstein, S. 99
Toward understanding the use of dental services by the elderly. Branch, L.G. et al. 38
HEALTH SERVICES NEEDS AND DEMAND
Toward understanding the use of dental services by the elderly. Branch, L.G. et al. 38
HEARING LOSS, PARTIAL
Improving communication with the older patient: overcoming the physical barrier of a hearing loss. Warner, R.W. 15
HEMOPHILIA
Use of FEIBA and Amicar in the operating room—dental treatment of a patient with hemophilia and high titer factor VIII inhibitors. Sharp, H.K. et al. 210
HOSPITAL ADMINISTRATORS
The hospital administrator's expectations of the manager of a department of dentistry. Camerano, F. 268
HOSPITAL PLANNING
Long-term planning for hospital dental services. Demby, N.A. 150

I

INDEX TO ADVERTISERS. 47, 95, 142, 190, 238, 280
INFORMATION FOR AUTHORS. 195

J

JAW NEOPLASMS
Oral and maxillofacial cancer pain. Epstein, J.B. 223
JOURNALISM, DENTAL
Evaluation of a supplemental dental booklet for long-term care facilities. Deal, T.S. et al. 162

K

KLIPPEL-FEIL SYNDROME
The dental rehabilitation of a patient with Klippel-Feil syndrome and Sprengel's deformity. Boraz, R.A. et al. 22

L

LIP
A simplified splint for decreasing or preventing stenostomia in patients with burns. Shehan, M.T. et al. 36
LIVER ABSCESS
Liver abscess secondary to dental disease: report of case. Farsakian, L.R. et al. 276
LONG TERM CARE
Evaluation of a supplemental dental booklet for long-term care facilities. Deal, T.S. et al. 162

M

MALOCCLUSION
Oral findings and a proposal for a dental health care program for patients with Duchenne type muscular dystrophy. Morinushi, T. et al. 117
MARKETING OF HEALTH SERVICES
Marketing of a hospital-based dental service: strengthening a general practice residency program. Coke, J.M. 208
Promoting interrelated health care. Barr, C.E. 203
MASS CHEST X-RAY
The dentist's guide to basic interpretation of radiographs of the chest. Flaxman, N.A. et al. 182
MASTICATION
The effect of age and dentition status on masticatory function in older adults. Idowu, A.T. et al. 80
MEDICAL HISTORY TAKING
Guidelines for establishing qualifications for dentists to perform admission histories and physical examinations. 124
Minimum standards for performing histories and physical examinations: basic training and course content. Roser, S.M. 125
The national experience and trends related to admission history and physical examination privileges for dentists. Swanson, R.K. 127
MENTAL RETARDATION
Prevention of postanesthetic oral self-mutilation. Crespi, P.V. et al. 68
Relaxing effects of music in dentistry for mentally handicapped patients. Davila, J.M. et al. 18
The successes and failures of two approaches to dental care in institutions for patients who are mentally handicapped. Wadsworth, C.L. et al. 175
MOBILE HEALTH UNITS
Modification of an ultrasonic scaler for portable use. LeJeune, R.C. 274
MOLAR, THIRD
Internal resorption of an unerupted third molar. Garcia, R.I. et al. 205
MOUTH
A simplified splint for decreasing or preventing tenostomia in patients with burns. Shehan, M.T. et al. 36
MOUTH DISEASES
Liver abscess secondary to dental disease: report of case. Farsakian, L.R. et al. 276
MOUTH NEOPLASMS
Oral and maxillofacial cancer pain. Epstein, J.B. 223
MOUTH PROTECTORS
Prevention of postanesthetic oral self-mutilation. Crespi, P.V. et al. 68
MUSCULAR DYSTROPHY
Oral findings and a proposal for a dental health care program for patients with Duchenne type muscular dystrophy. Morinushi, T. et al. 117
MUSIC
Dental diagnosis and treatment for musicians. Prensky, H.D. et al. 198
MUSIC THERAPY
Relaxing effects of music in dentistry for mentally handicapped patients. Davila, J.M. et al. 18

N

NURSING HOMES
GRECC and the teaching nursing home: affiliated geriatric education for dental students. Shen, K. et al. 266
NUTRITION
Nutrition during treatment of head and neck cancer. Jones, J.A. et al. 165

O

ORAL HEALTH
Dental health status of nondependent children with handicapping conditions in Edmonton, Alberta. Lizaire, A.L. et al. 74
The effect of age and dentition status on masticatory function in older adults. Idowu, A.T. et al. 80
The effect of dental education and dental treatment on the dental status of a handicapped population: a longitudinal study. Mann, J. et al. 180
Gerodontics: an epidemiologic perspective. Mersel, A. et al. 13
Societal determinants of cultural factors related to the dental health of a selected older black population. Norman, B.J. et al. 120
ORAL HYGIENE
Alzheimer's disease: a guide for dental professionals. Niessen, L.C. et al. 6

P

PAIN
Oral and maxillofacial cancer pain. Epstein, J.B. 223
PATIENT ADVOCACY
Advocacy organizations and dentistry: a survey. Entwistle, B.A. et al. 114
PATIENT CARE PLANNING
Treatment planning for the marginally impaired older patient. Tillman, R.S. 219
PATIENT CARE TEAM
The importance of a team approach when identifying and treating child maltreatment: a personal view. Mundie, G.E. 58
PEDODONTICS
Pediatric dentistry and the child with asthma. Mungo, R.P. et al. 270
PERIODONTAL DISEASES
Barriers to preventive and periodontic care for the older population. Odrich, J. 109
Oral findings and a proposal for a dental health care tprogram for patients with Duchenne type muscular dystrophy. Morinushi, T. et al. 117
Personality factors, demographic variables, and indexes of periodontal disease in normal, community-dwelling males. Garvey, A.J. et al. 170
PERSONALITY
Personality factors, demographic variables, and indexes of periodontal disease in normal, community-dwelling males. Garvey, A.J. et al. 170
PHYSICAL EXAMINATION
Guidelines for establishing qualifications for dentists to perform admission histories and physical examinations. 124
Minimum standards for performing histories and physical examinations: basic training and course content. Roser, S.M. 125
The national experience and trends related to admission thistory and physical examination privileges for dentists. Swanson, R.K. 127
PHYSICIAN'S ROLE
A physician's view of responsibility in reporting child abuse. Fontana, V.J. 55
POSTOPERATIVE CARE
Prevention of postanesthetic oral self-mutilation. Crespi, P.V. et al. 68
PRODUCT INFORMATION. 284
PROSTHESIS DESIGN
A simplified splint for decreasing or preventing stenostomia in patients with burns. Shehan, M.T. et al. 36

R

RADIOGRAPHY, DENTAL
New device for dental radiography for use with general anesthesia. Montanarella, M. et al. 160
RADIOTHERAPY
Dental rehabilitation of the patient with severe caries after radiation therapy. Fattore, L. et al. 258
RESIDENCY, DENTAL
The effect of general practice residency training programs on the eventual mode of practice of graduates. Demby, N.A. et al. 262
Marketing of a hospital-based dental service: strengthening a general practice residency program. Coke, J.M. 208

S

SCALING, DENTAL
Modification of an ultrasonic scaler for portable use. LeJeune, R.C. 274
SCAPULA
The dental rehabilitation of a patient with Klippel-Feil syndrome and Sprengel's deformity. Boraz, R.A. et al. 22
SCHIZOPHRENIA
The dental management of patients with schizophrenia. Friedlander, A.H. et al. 217
SELF MUTILATION
Prevention of postanesthetic oral self-mutilation. Crespi, P.V. et al. 68
SOCIAL CONDITIONS
